About Greenidge Generation Holdings Inc.

Greenidge Generation Holdings Inc. (NASDAQ: GREE) is a vertically integrated bitcoin mining and power generation company. Greenidge is committed to 100% carbon-neutral bitcoin mining at all of its locations by utilizing low-carbon sources of energy and offsetting its carbon footprint. Greenidge currently operates one facility in Upstate New York and expects to expand operations to a second location in South Carolina in the upcoming months, which will source the majority of its electricity from zero-carbon sources. Support.com, Inc., a Greenidge subsidiary, is a leading provider of customer and technical support solutions delivered by home-based employees.
